Student Handbook available at [www.epcnds.org](http://www.epcnds.org)

## SCHOOL RULES:

1. Each student has the right to be safe. Physical safety is of primary importance. Any student interfering with the safety of another will be considered as a serious breach of expectations and will result in notation on the student's permanent record, suspension, and/or expulsion.
2. Emotional safety is essential for the well being of all students. When this is disturbed by such behaviors as teasing, harassment, put downs, etc. it compromises the entire learning process. Each student has the right to learn. Disruption to class includes excessive tardiness. When an individual interferes with the rights of another s/he will have to be removed from class.
3. Academic integrity is expected of all EPCDS students. All work is expected to be the student's own unless otherwise indicated. Plagiarizing, copying, or otherwise presenting any work as one's own that is not, will result in notation on permanent records, suspension, and/or expulsion.
