

Hot Lunch Program

- Each card has twenty (20) lunches and may be purchased for \$100.00.
- The card will be punched each time it is used and you may purchase several cards at one time.
- Each card should last approximately one (1) month (*if used daily*) and will be kept in the school office for student convenience.
- A menu will be issued at the beginning of each month.
- Students will be notified when the card is about to expire.
- A student will not be permitted to purchase lunch if their card has expired.

School T-Shirt

Throughout the school year, there are many occasions where students are required to wear school T-shirts; class trips, Sports Day, TV commercials and a variety of other events. Wearing our T-shirt as a group encourages school pride and is exemplary of school unity. The official school T-shirt will be required for these types of events. If you purchased one this past year and it still fits, you do not have to purchase a new one.

*** If your child does not wear his or her school t-shirt when required, we will provide one and bill it to your account.**
